## WE'RE HERE DAY OR NIGHT — WHENEVER YOU NEED US.

The free Alzheimer's Association® 24/7 Helpline allows people living with Alzheimer's, caregivers, families and the public to:

- » Speak confidentially with master's-level care consultants for decision-making support, crisis assistance and education on issues families face every day.
- » Learn about the symptoms of Alzheimer's and other dementias.
- » Find out about local programs and services.
- » Get general information about legal, financial and care decisions, as well as treatment options for managing symptoms.
- » Receive help in their preferred language through our bilingual staff or translation service, which accommodates more than 200 languages.
- » Access support through our TTY service (TTY: 866.403.3073) if assistance is required via a teletype device.

*The Alzheimer's Association 24/7 Helpline is supported in part by grant number 90ADCC0001-01-00 from the U.S. Administration for Community Living, Department of Health and Human Services, Washington, D.C. 20201. Grantees undertaking projects with government sponsorship are encouraged to express freely their findings and conclusions. Points of view or opinions do not, therefore, necessarily represent official ACL policy.*

The Alzheimer's Association is proud to partner with the African Methodist Episcopal Church to raise awareness of Alzheimer's disease among the African American community. By working together, we can provide opportunities for all those affected to access care and support services, engage in research and advance advocacy.
